

# FATIMA MATA NATIONAL COLLEGE

AUTONOMOUS

(Reaccredited with 'A' Grade by NAAC)  
Affiliated to University of Kerala

## 5.3.3 Bishop Jerome Paper Presentation Competition

**IQAC** INTERNAL QUALITY ASSURANCE CELL

**Title of the Practice: Bishop Jerome Memorial South Indian Paper Presentation Competition: A tribute to our visionary founder Rev Bishop Jerome M. Fernandez**

**Objectives of the Practice:**

- To uphold the Fatima Motto “Per Matrem Pro Patria” (through the Motherland for the fatherland)
- Throw open the portals of the college to currents of fresh and new ideas
- Develop among our students a culture of debate towards issues of social concern
- Generate a sense of social commitment among the students
- To put into practice our mission to act as a catalyst of change and enlightenment

The faculty and students of FMNC are bound to uphold the Fatima motto “Per Matrem Pro Patria” (through the Motherland for the fatherland) as envisioned by our illustrious founder Rev Bishop Jerome M. Fernandez. The word ‘National’ added immediately after the name of Blessed Virgin Mary (Fatima Mata) while naming the college is the greatest proof of his patriotic spirit, his dream of instilling a pan-Indian spirit and a genuine sense of dedication to the motherland among our students. In order to propagate his ideals and to keep alive his vision, every year, the college, along with the PTA, conducts the Bishop Jerome Memorial Paper Presentation Competition, based on a contemporary societal issue of utmost relevance to all sections of society. A deliberation over such issues will help generate a sense of social responsibility among the students, which would help in creating good citizens for the future.

What makes this competition distinct is the way the whole event is conceived. The topic for presentation will be a contemporary social issue. The faculty and the students are given the option to suggest relevant topics.

A drop-in box will be placed in front of the library wherein they can put their suggestions. A screening of the topics will be done by a committee of teachers and the final topic will be handpicked by the Bishop of Quilon, who is the patron of the College. Thus the whole college becomes part and parcel of the event.

The event begins with a formal meeting. The guest of honour chosen for the day will not just be a man of professional calibre, but also with a strong sense of social commitment who has made substantial contribution towards society. We intend to present certain role models before our students whose very presence will be an inspiration for our students.

The notification of the competition is done well in advance so that prospective contestants will get ample time to do a thorough research on the topic of deliberation. This will also ensure maximum participation.

The panel of judges is the strength of the event. The choice of the judges is done based on certain specific parameters. The judges, mostly from academic, media or social circles, are authoritative persons noted for their mastery of the subject and also for their analytical skills. Each presentation will be followed by an interaction with the judges, wherein the contestants will field the questions raised by the judges. This is to gauge how far the contestants are well versed in the topic. Thus the winners are decided not just based on their oratorical skills or dynamic presentation, but on the depth and range of their knowledge.

The students of the College are made to attend the event. This will alert them to the possibility of approaching a topic from different perspectives, and the multiple aspects that are at stake. This will naturally make them sensitive towards any social issue they are likely to confront in future. A peer group presentation will always be a strong motivating factor for the students and help tap their potential and bring out their latent talents. Besides, it will be a good grooming session for aspiring orators and debaters.

Another highlight of the event is the 'predict the winner' contest. The audience can make an assessment of the relative performance of the

contestants and form their own judgement. The prize for the 'predict the winner' contest will be given away in the same meeting. This is to incentivize them to critically analyse the performance of the contestants and is intended to hone the evaluative skills of the students, which is very essential for self-improvement.

The increase in the number of participants is the biggest testimonial about the success of the event. Over the years, the College has witnessed high quality performance from our contestants, as testified by the judges. The positive feedback we get from the participants and the students is also very re-assuring. Because of the success, it has been made into a south-Indian We plan to make it a national completion.

### **Report of the Programmes (2014-19)**

#### **Report 2014-15**

Fatima Mata National College (Autonomous) under the auspices of the PTA had organised this year's Bishop Jerome Memorial (South India) Inter-College Paper Presentation Competition on 18-12-2014 at 9.30 am. Dear Sir/Madam,

Fatima Mata National College, Kollam (NAAC Re accredited at A level) is one of the premier colleges affiliated to the University of Kerala. The great visionary Rev. Dr. Jerome M. Fernandez founded the College in 1901 for the educational upliftment of the less fortunate brethren of Quilon. This institution of higher learning is dedicated to the task of equipping youth through Education, for meaningful and responsible roles in India's national life.

The Parent Teacher Association of the college, since its inception in 1968, has contributed significantly to the development of the College and has played a pivotal role in taking students to higher echelons of academic excellence. To perpetuate the memory of our founder, the PTA conducts The Bishop Jerome Memorial Inter-College Paper Presentation Competition every year which is open to all regular university students (both UG & PG) of the colleges of South India.

We welcome all participants to this prestigious event.

Dear Sir/Madam,

Fatima Mata National College (Autonomous), Kollam is one of the premier colleges affiliated to the University of Kerala. This institution aims at the holistic development of students and instills in them a firm commitment to spiritual and moral values as envisioned by the founder.

The deep spirituality and austere life of Rev. Dr. Jerome M Fernandez, of hallowed memory, has been acknowledged by the Catholic Church. As a mark of this recognition, he will be proclaimed Servant of God on the 24<sup>th</sup> of February 2019- the first step towards sainthood.

This great visionary, the first native prelate, founded the college in 1951 for the educational upliftment of the less fortunate. The college has a vibrant and proactive PTA. Since its inception in 1968, it has contributed significantly to the development of the college and has played a pivotal role in elevating students to higher echelons of academic excellence. The PTA of the college conducts the Bishop Jerome Memorial (South India) Inter-College Paper Presentation Competition annually to perpetuate the memory of our founder. Students, both PG and UG, from various colleges in South India can participate in this prestigious competition.

We welcome all participants to this event.

Sincerely yours,

**Dr Clara B. Reshma**
