### Annual Report of Examination 2017-2018

The contract with M/s Emstem Technologies, Bangalore was over in June 2017 and we entered into a contract with M/s Rovam Software Solutions Ltd., Tamil Nadu to provide software for all examination related jobs.

In addition to performing all existing modules and functions the new software helps us in foil card generation, moderation plan, result analysis, student performance report, absentees list, malpractice cases, script summary for answer scripts bundles, and rank list.

The software is also used for preparing list of examiners and question paper setters.
