Letter of Request

Thevar Raja <rajathevar0809@gmail.com> 4:44 PM (20 hours ago)

to me

Dear Sir,

As per our conversation regarding free awareness seminar on financial Literacy conducted by NSE & SEBI, We would like to conduct the same in your Foundations as per your convenient time .

Greetings from Speromedia.

On behalf of India's largest National Stock Exchange, we propose a guidance seminar in the dynamic field of capital markets. We are looking forward to educate our citizens when it comes to Financial Literacy .

The session would be a great chance to have a live interaction with the equity market at large. A number of specially designed courses would be on offer for the people to guide them in making a great career in financial fields. This engagement promises to provide a common platform recognized by not only national but international financial community as well to both students and institutions alike.

We intend to have the seminar in top notch NGOs, Cooperative sectors, Corporate sectors, and commerce/business colleges of Kerala. We would be travelling to your foundation and interacting with people enlightening them about the factors of Money Management. In doing so it would be a great opportunity for the institution to engage with the one of the most trusted and respected government exchange NSE; allowing your access to world class career opportunities not only in India but abroad as well.

Kindly let us know your earliest possible convenience so that we may be able to prepare the itinerary well in advance. As a first step towards realizing your dreams, please inform and share the coordinates of your placement coordinator. We would require an enclosure like auditorium to have the session with at least over 100-150 heads in attendance.

And be rest assured about any charges involved as this whole activity, which is free of cost. We would just need your whole hearted support and interest in making this seminar on financial literacy, path breaking for the people as well as the foundation as a whole.

KINDLY NOTE : There are no charges for the seminar.

REQUIREMENT : A Projector

Request you to visit the following link to get more details on two of the very popular courses.

Career Guidance for PG Students

The career guidance and placement cell organized a career guidance class for science PG students. The topic was 'Various job prospects in Department of Atomic Energy'. Dr Shibu Joseph has given the details of One year orientation course for Engineering graduates & Science postgraduates for the year 2019 (OCES-2019). 45 PG students were benefitted. The details are attached.

BARC Training Schools provide two schemes of training to deserving candidates ambitious of pursuing a rewarding career in Nuclear Engineering and Technology. They are respectively called Orientation Course for Engineering Graduates and Science Post-Graduates (OCES) and DAE Graduate Fellowship Scheme for Engineering Graduates and Physics Post-Graduates (DGFS).

1. One-year Orientation Course for Engineering Graduates and Science Post-Graduates for the year 2019-2020 (OCES-2019) will be conducted at BARC Training Schools situated at Mumbai, Kalpakkam, Indore and Hyderabad. The eligible candidates are Graduates in Mechanical, Chemical, Electronics, Metallurgical, Electrical, Computer and Instrumentation in Engineering and Post Graduates in Physics, Chemistry, Biosciences, Geology and Geophysics.

2. Two-year DAE Graduate Fellowship Scheme for Engineering Graduates and Physics Post-Graduates for the session beginning in July/August 2019 (DGFS-2019). Under this scheme, Engineering Graduates and Physics Post-Graduates who are selected for the BARC Training School programme and who also have secured admission for M.Tech/ M.Chem.Engg in select institutes and specializations are paid stipend and tuition fee to pursue a M.Tech/ M.Chem.Engg degree while retaining their employment in DAE. After successful completion of one-year course work at the institute, fellows undertake project work, which is assigned by DAE and supervised jointly by a DAE and an institute guide. On successful completion of M.Tech/ M.Chem.Engg, they are posted as Scientific Officers in DAE.
