The day was spiced with memory, nostalgia and fruitful deliberations. The students of the department entertained the audience with a variety of programs. The Executive Committee was constituted and then the members discussed the various programs to be held under **FELAA**. Illustrious teachers who were the pride of the department shared their experiences with the past and present students and teachers. All the former teachers were honoured by the department.

The second edition of **FELAA** was held at Bishop Stanley Roman Hall on **13/07/2019**. Many new faces turned up for the function. The alumni were happy to return to their Alma Mater after a while.
