Fatima Mata National College implemented the Automated Academic Management System immediately after getting autonomous status in 2014. The modules were introduced for the smooth functioning of the academic and management system.

STAFF PORTAL

Staff portal is developed customizing the requirements of the college staff. The portal is designed solely for the purpose of automation and also reducing the work time as well as efficiency of the work. The modules are created as per the requirements of the teaching community of the college. The main modules are

- Time Table (entering the semester timetable)
- Attendance Entry (entering the hourly attendance)
- Daily attendance view (class wise)
- Student view (class wise with photo)
- Student Profile View (view the students basic details)
- Nominal Roll (Class wise)
- Internal Marks Entry
- Internal Marks view/edit
- Monthly Attendance view

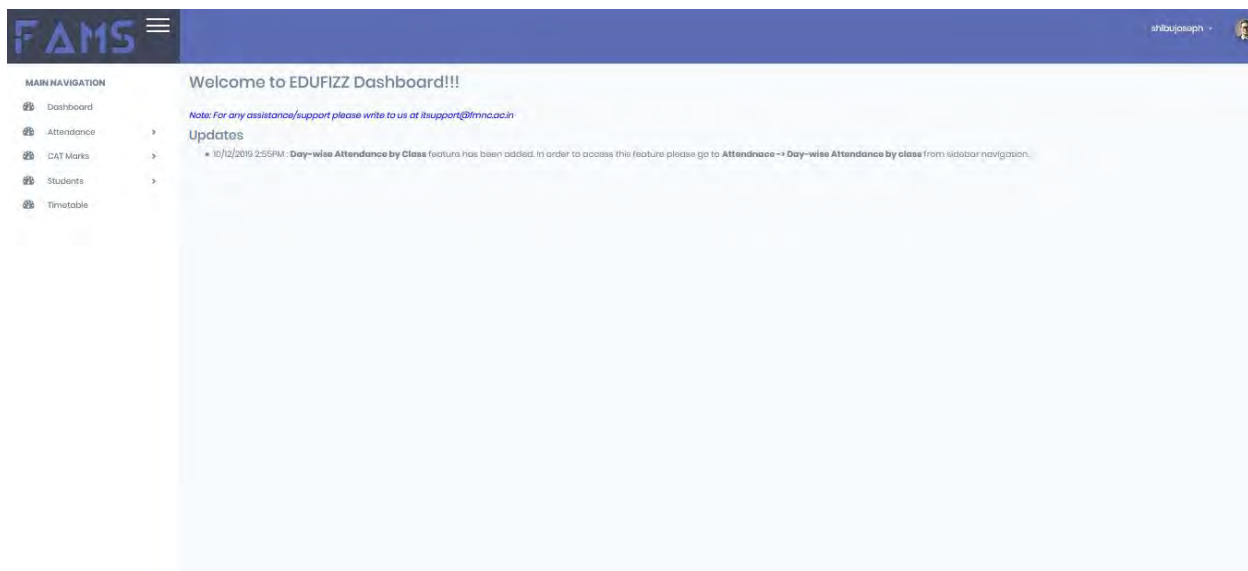

Image: Dashboard for staff portal

The dashboard consists of the main options available for the staff portal, like time table entry, attendance entry, students' details view, internal marks entry
