edge School of Applied Economics Limited

The first party was elevated to the status of a first grade college with the introduction of degree courses in Commerce.

The second party is a knowledge initiative from Hedge Equities - a company engaged in Financial Services catering to the evolving needs and unique requirement to build, manage and grow wealth.

HSAE provides a platform for spreading the concept of financial freedom and develop entrepreneurship among youth through imparting the importance of asset creation and its management by understanding the true concepts of risk and return. HSAE is the first ever educational venture dedicated to creating a class of high-end investment professionals across India.

OBJECTIVE OF THE PROGRAMME

A good degree is no longer enough to guarantee students employment. More employers look for graduates/post graduates with key skills. It is well accepted that there is a growing need for Industry Institute tie-up to enable the students pursuing academics at various levels will have an Industry orientation and employability along with their academic career. Financial Markets, especially the Capital Market has the fastest growth rate amongst the various service industries. This has given lot of job opportunities and a challenging career to young incumbents. As a part of CSR initiative we are trying to enable the students to overcome the learning curve and improve employability through this Industry workshop.
