## **Placement Cell of Fatima Mata National College (FMNC)**

The Placement Cell of Fatima Mata National College (FMNC) organized a highly successful job fair on 20<sup>th</sup> March 2022. The event aimed to bridge the gap between potential employers and the talented pool of students graduating from FMNC. The job fair provided a platform for students to interact with leading companies and explore exciting career opportunities in various industries.

**Objective:** The primary objective of the job fair was to facilitate the placement of final year students by connecting them with prospective employers. The event also aimed to enhance students' employability skills, prepare them for interviews, and provide them with valuable insights into the current job market.

**Event Highlights :** The participating companies were allocated stalls where they showcased their organizations, job vacancies, and career development prospects. Students had the opportunity to interact with company representatives, inquire about job profiles, and submit their resumes for consideration.

### **Key Activities during the Job Fair:**

1. **Company Presentations:** Several companies conducted presentations to familiarize students with their corporate culture, work environment, and career growth prospects.
2. **Resume Clinics:** The Placement Cell organized resume clinics, where experts offered personalized feedback and tips to improve students' resumes to make them more appealing to potential employers.
3. **Mock Interviews:** Mock interview sessions were conducted to prepare students for real job interviews. Industry professionals provided constructive feedback to help students refine their interview skills.
4. **Skill Workshops:** The job fair featured skill development workshops on topics such as communication skills, aptitude test preparation, and group discussions, empowering students to excel in various stages of the recruitment process.

**Results and Outcomes:** The job fair received an overwhelming response from both students and companies. Many students were shortlisted for further rounds of interviews, and several received on-the-spot job offers. The event served as an excellent platform for networking, allowing students to connect with industry leaders and professionals.

The job fair organized by the Placement Cell of Fatima Mata National College (FMNC) proved to be a remarkable success, fulfilling its objective of connecting students with prospective employers. The event provided students with valuable exposure to the job market and strengthened their confidence and employability skills. The Placement Cell's efforts in coordinating the event were commendable, contributing to the overall growth and success of FMNC's graduating students.

## MEGA JOB FAIR

The Mega Job Fair, held in association with the Knowledge Economy Mission, Government of Kerala, and Fatima Mata National College on December 18, 2021, was an exceptional event that brought together numerous companies and organizations from various sectors.

The fair provided a platform for a large group of students and job seekers to explore diverse employment opportunities. Participating students had the chance to interact directly with recruiters through on-campus placements and interviews, presenting their qualifications and skills to potential employers.

The job fair also included skill development workshops that equipped participants with essential career-related insights. This collaborative effort between the Knowledge Economy Mission, Government of Kerala, and Fatima Mata National College showcased their joint commitment to empowering the youth with ample job prospects and fostering a knowledge-driven economy in the region.

The event's success was evident in the positive feedback from both job seekers and employers, highlighting the significant impact it had in connecting talent with potential employers.
