Cancer awareness programme

Cancer awareness programme was conducted in connection with National Science Day on 28-2-2018 in collaboration with Health club. Dr. Cherian Thampi, Medical oncologist, KIMS Hospital, Trivandrum delivered the theme lecture.

One Day Workshop on 'Nature Photography'

An one day workshop on 'Nature Photography' was conducted in collaboration with the Department of Botany On 8th March, 2018 at the Seminar Hall, Department of Botany. It was started by the prayer by Kumari Arya Babu. The gathering was welcomed by Dr. Marilyn V.J., Head, Department of Botany. The technical session then started with a student presentation by Kumari Reshma Benson, MSc Final year student on the topic 'Bird Watching-Contributions of Dr. Salim Ali and Induchoodan'. It was followed by the expert presentation by Shri. Basil Peter, Renowned Nature Photographer, Cochin Natural History Society on the topic 'Nature and Wildlife Photography- An Experience Sharing'.

A documentary on 'Wetland and Mangrove Ecosystem'. Open discussions were conducted in the after noon session, in which the experts and students actively participated. The programme was interesting and brainstorming, which was successful in providing a sound platform for observing nature and technically egequipped them to take nature and wildlife photographs easily. The seminar came to an end with National Anthem.

Dr. Rubin Jose A.S.
Convenor
