WORLD ENVIRONMENT DAY CELEBRATION

"On World Environment Day, the message is simple: reject single-use plastic. Refuse what you can't re-use. Together, we can chart a path to a cleaner, greener world."

We 'FATIMATES' know, humans are both creatures and moulders of the environment. The 3(K) Naval NCC Subunit of Fatima Mata National College (Autonomous), Kollam, celebrates the 2018 world environment day on June 5. The programmes included tree plantation, expert talks on hazards of plastic wastes and a cleaning process which ensure a litter free campus. This campaign helps to raise awareness among students about the environmental issues as well as take positive environmental actions.

30 Naval NCC cadets participated under the leadership of Petty Officer Cadet Arun P. Senan in the program conducted in the college campus. The Principal Dr Vincent B. Netto addressed the students. Dr Akhila Thomas, Associate Professor of Zoology gave a lecture on the Hazards of Plastic waste. Cadets collected 15 saplings from 3(K) NCC unit, Thevally and planted at suitable places of college premises. The cadets also participated in the collection and disposal of plastic wastes in the campus.

Cadets participated in the campaign with great enthusiasm and also promised to keep environment green and plastic free.
