
Green Audit Certificate

Green Audit for the period July 2018 to June 2019 has been conducted for Fatima Mata National College at Kollam, Kerala, in accordance with the International Standards for ISO 14000 family of standards set by ISO TC 207 and its Sub-committees, Bureau of Energy Efficiency Standards, and stipulations under the Energy Conservation Act 2003 of Government of India, UGC NAAC Guidelines on Greening Initiatives and other relevant mandates for promotion of sustainable living and education in a healthy environment.

In our opinion, the Institution has presented true and up-to-date data on the various aspects of working of this education institution before the audit team, and appropriate audit procedures have been completed by the audit team for preparing this report. The assessments and recommendations are based on verified data presented before the team on the situation as they existed at the time of audit.

In order to meet the objectives of the audit, the methodology did combine physical inspection of the campus on several work days and holidays, with analytical reviews of relevant documents and activities, as well as interviews with the Principal, and selected members of Staff and Students of the College.

This audit is conducted to ensure that a Green Policy is followed and implemented in the campus across all academic and non-academic departments and by the body of students undergoing studies in the College, so as to make all stakeholders aware of the need for individual efforts in perpetuating green living habits among the people of our country.

Fatima Mata National College Green Audit 2018-'19 has found that the institution's "per capita carbon footprint for the year" is only 0.22 Ton of CO₂ equivalent, a level only 11.3% of the 2018 national per capita average (1.94 T), with potential to develop into a carbon neutral campus by adopting a dedicated Green Policy and having a commitment to continue its green practices with approved remediation practices in position.

Prof. V K Damodaran, For NGGFN Audit Team, Dated 30 June 2019

I agree with the data presented in this report as true, and further express my willingness to implement the recommendations of this audit report after internal review, even if any or many of them are in excess of the relevant mandates.

Dr. Vincent B. Netto [Seal]

Principal

Date: 30.06.2019
