

WORLD POPULATION DAY

2015-16

- As part of the World Population Day (July 11), **Department of Economics** organized Graffiti designing on 9th July 2015. Graffiti is an unconventional method of painting. Students from various departments participated in this event. The event also included caption making competition on the theme “The world is starving: It’s time to take our part”.

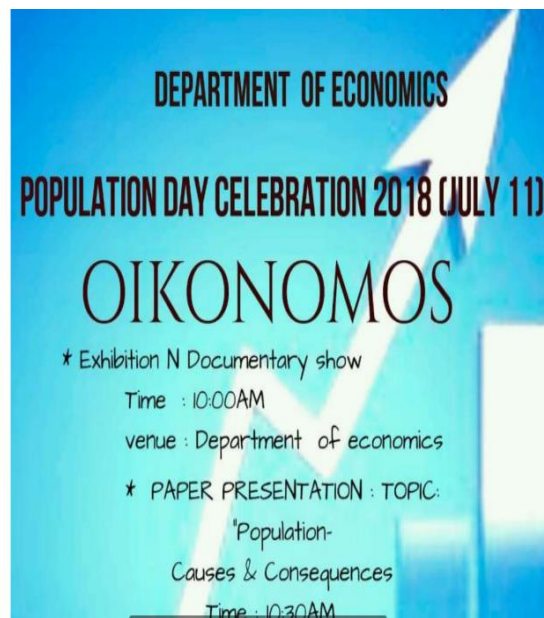

2017-18

- The **Department of Economics** celebrated World Population Day (11th July) on 13-07-2017. The Department organised various programmes as part of the function. The programmes included creation of a population tree, population pyramid, exhibition, graffiti designing, mime and treasure hunt. There was a competition for the best caption for the Graffiti designing.

2018-19

- The Department of Economics celebrated World Population Day (11th July) with colourful programmes. The programmes included creation of population tree, population pyramid, exhibition, graffiti designing, mime and treasure hunt. There was a football match with the participation of students from various departments. As a mark of the celebrations teachers and students released hydrogen filled “Population Balloons”.

- In collaboration with the Indian Dental Association, the **Community Health Club** organized a talk on the UN theme for 2018 i.e. “ FAMILY PLANNING IS A HUMAN RIGHT”. Dr. Annie George, Secretary of the World Dental Association, Kollam Chapter, was instrumental in bringing the Chief Guest and Speaker, Dr.Reena, a gynaecologist from Govt Taluk Hospital, Kottarakkara, Kollam to deliver the talk. With the help of a powerpoint presentation Dr. Reena was able to give an insight into the various natural and artificial methods of contraception, their advantages and disadvantages etc. The programme was attended by the members of the Community Health Club, the NSS, Science Club and the I PG students of the Dept of Zoology. The meeting was blessed by the presence of the President of the IDA, Kollam Branch, Dr. Christine and other members.
