Feedback Analysis

The feedback is taken from employees to identify the level of appreciation about the students passed out from our institute and to identify the necessary corrections to be done based on their opinion. In this regard feedback for 10 statements related to basic requirements of an employer is collected.

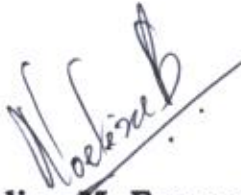

The 65 percent employers is of the opinion that students of Fatima have good communication skill.

With regard to the presentation skill, the employers felt 86 per cent of the students have good presentation skill. 79 per cent believe that students have necessary technical skill, 86 percent are of the opinion that they have good behavioral skill and 92 percent of the participants opinioned that the students of FATIMA have managerial skills.

The survey reveals 100 per cent confidence of the employers regarding the leadership qualities, subject knowledge, moral values, professional ethics and discipline of FATIMITES are good.

Conclusions

The report is submitted to the IQAC, Heads of the Departments, Deans of Faculties, BoS Chairmen, and the College Council.
