SYLLABUS REVISION - STATEMENT BY THE PRINCIPAL

During 2015-16, three new programmes were introduced in the Self-Financing stream (B.A.English, B.Com Co-operation and B.Sc Computer Science). For these three programmes, new syllabus was framed by revising the existing syllabus of Kerala University. The two new programmes introduced in the Self-financing stream (B.CA and B.Com Computer Application) during 2016-17, also followed the same procedure, and the syllabus customized to meet our targeted learning outcome.

Hence, the year of introduction and the year of syllabus revision happened to be the same for these programmes.
