Sir/Mom,

Sub:- Request for consultancy – reg:

High School students of this school are interested in learning the technique of setting and maintenance of Aquarium. They are also interested in learning the technologies of Ornamental fish breeding, larval rearing and live feed culture. Since your dept. is extending such help to the public, We would like to explore the expertise on the above topics from the experts of your dept. I am putting this request for your consideration and favorable action.

Thanking You,

Yours faithfully,
