Dr. Sheryl Williams
Associate Professor &
Head
Dept of Zoology.

HEAD, DEPARTMENT OF ZOOLOGY
Fatima Mata National College (Autonomous)
Kollam

From,
Krishna Veny
Plus two student
Govt. Model Boys H.S.S.

Date: 15 June 2018

To,
The Head
Department of Zoology
FMN College, Kollam.

Subject: Requesting for consultancy on aquarium
maintanance.

Sir/Madam,

I am requesting you to provide
guidance in developing an aquarium set up in
my home. Since I am a student, I am
unaware of the methodologies that should
be taken in maintaining an aquarium.

I require guidance in setting up biological
filters, natural and artificial feeds, successful

breeding cultures and suitable environment
for the enhancement of my aquarium. It
will be very much helpful if your department
will guide me with proper supervision.

Yours Sincerely,

Kaushna Venu
