Sub:- Training-Nursery Management

Sir,

Hope you remember the telephonic conversation we made the last week, and in continuation of the same. I like to explore your expertise in Nursery Management and Tissue Culture Techniques. We plan to send two separate team of my gardeners-the first group with five gardeners will be there in your institution from 20.09.2018 to 01.10.2018 for the training in Nursery Management and the second group with five gardeners will participate in the training programme on tissue culture from 15.10.2018 to 24.10.2018. As instructed by you I will pay Rs.7500/- for the training on Nursey Manaagement and Rs. 12500/- for the Tissue Culture training in advance. Kindly acknowledge this letter and advise.

With Regards,

(JOSEPH THOMAS)
