Annual E-Governance Report 2016-17

The platform for Examination Management was shifted to ROVAN EMS (Examination Management System) and IMS (Institutional Management System). The College Office, Principal's Office, Manger's Office, Office of the Controller of Examinations, Departments, Library and Computer Laboratories were intra networked. The intra network of the main campus was managed by centralized networking system. Msgr. Rozario Lab was upgraded with the addition of 40 new computer systems. The existing Wi-fi facility was also upgraded.

FATIMA IT Solutions was constituted to coordinate the e-governance mechanisms and to assure hassle-free operations. They had also developed indigenus and customized academic management software.
